DOUBLING OUR EFFORTS TO DOUBLE THE FUNDING.

For many years your sponsorship and our volunteer fundraising efforts have brought in \$10,000 in annual financial support for educational extensions at Mills Lawn School. This support has made the costs for educational activities like PBL projects more feasible for our teachers. However, we feel that the incredible achievements of PBL programming will only expand with bigger support for even more ground-breaking projects and enrichment. That is why we launched the Gingerbread Festival in 2016, rethought our Street Fair parking pricing, and are starting a Euchre Tournament this February!

These extra efforts require double the number of volunteer hours. Now we turn to our sponsors; will you join us in doubling down for the school by doubling your sponsorship as a Bulldog Backer?

BULLDOG BACKERS KNOW LARGER INVESTMENTS REAP LARGER REWARDS

For 2018-2019, Bulldog Backers are individuals and businesses who support the PTO's activities, fundraisers and events with tax-deductible donations of \$100 or more. These contributions, in addition to our three fundraising events will be the basis of our ability to increase our support for an annual calendar of school and community-building events, flex funds for every teacher, student field trip scholarships, PBL project support, and perhaps an even greater annual capital or visiting program grant opportunity.

You have the opportunity to fund proposed Special Projects such as: an outdoor education lab, arts performance equipment, visiting artist performances or more! Send us your ideas, we would love to hear them.

AS OUR KIDS AIM HIGHER, LET'S AIM HIGHER TOO.

The PBL program and many of the PTO's events seek to encourage our students to be ambassadors of change in our community. Let's step up to give them even more support in pursuing a life of impact, collaboration and service.

Raise a paw (even higher) & join us in doubling down today!

We look forward to your response.
